

# Paper Tissue Converting Maintenance Mechanic

Blind Industries and Services of Maryland has recently purchased a conversion plant to make toilet paper, paper towels and napkins in Hagerstown Maryland.

This is a new venture for a tremendous opportunity and us for experienced paper tissue conversion Maintenance Mechanic who understand the how to manufacture of paper towels, tissue products and napkins.

We have state-of-the-art Infinity and Perini Tissue Converting Equipment

**This is an exciting opportunity to join at the ground floor and build a career at our new facility.**

The maintenance mechanic is the “go-to” Associate for maintaining production equipment to optimize run ability through preventative maintenance, troubleshooting and repair of machines. Will troubleshoot industrial, electrical, hydraulic, pneumatic and mechanical failures with the aptitude to correct those failures for the converting operation to produce paper towels, toilet paper and napkins on state of the art automated process lines.

## **What you will be doing:**

1. Performing routine service, setup, adjustment and repairs of paper manufacturing and converting equipment (e.g. pumps, gear reducers, high-speed winders, orbital saws, wrappers, packaging and conveying equipment).
2. Performing Predictive & Preventative tasks associated on heavy industrial manufacturing equipment.
3. Identify and correct defects in equipment during preventative maintenance inspections
4. Installation, troubleshooting and maintenance of typical ball & roller bearings.
5. Replacing faulty electrical components of machine such as relays, switches, and motors, and position sensing devices such as proximity switch, timers, scanners and photoelectric devices.
6. Diagnosing and repair/replace faulty electronic components such as printed circuit boards.
7. Troubleshooting and repair pneumatic and hydraulic systems  
Rebuild spare equipment and components. Precision measurements of bearing fits and mounting tolerances.
8. Identify, plan, execute mechanical maintenance tasks
9. Work within an operations driven team environment to resolve issues and improve performance.

**This is a tremendous opportunity! We offer a competitive salary based on education, experience, and other qualifications. BISM offers comprehensive benefits including medical, prescription, dental, vision, life, disability, 403(b) with match, profit sharing, tuition reimbursement, paid vacation, and more!**

Each year BISM provide programs and services that serve over 2000 blind citizens. BISM employs 650 exceptional Associates at our twelve facilities in Maryland, Delaware, the District of Columbia, Kentucky and North Carolina where we manufacture the highest quality products.

Blind Industries and Services of Maryland is an Equal Opportunity / Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or protected Veteran status.
